INFORMATION DISCLOSURE STATEMENT

Please consider the references listed on the attached PTO-1449 form. Foreign patent documents and non-patent literature are attached; cited U.S. patents and patent application publications will be provided on request. A copy of a communication from a foreign patent office in a counterpart application is also attached.

The applicant invites the examiner to consider the claims and all positions of the examiner and all replies of the applicant in the prosecution of the following United States patent applications. The specifications of these other applications contain at least some material that is similar to the material set forth in the specification of this application. The applicant assumes that the examiner has direct access to these files, but will be happy to provide copies to the examiner upon request.
